**PETITION IN RELATION TO BANNING GREYHOUND RACING IN WA**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to greyhound racing in Western Australia and call upon the government to follow the lead of the NSW and ACT governments to ban greyhound racing.

We note the independent report into the greyhound racing industry in NSW which detailed damning evidence of systemic cruelty. Greyhound racing is in decline and has been banned in all but a handful of countries. It is time for the people of WA to act to stop this inherently cruel practice.

Your petitioners therefore respectfully request the Legislative Council recommends that the Government bans Greyhound racing, prohibits dog transfers overseas and interstate and supports adoption programmes for current racing dogs.

And your petitioners as in duty bound, will ever pray.
