**PETITION IN RELATION TO THE PROVISION OF ELECTRONIC 40KM/H SCHOOL  
ZONE SIGNAGE AT WEST BALCATTa PRIMARY SCHOOL, BALCATTa SENIOR HIGH  
SCHOOL, BALCATTa PRIMARY SCHOOL AND ST LAWRENCE PRIMARY SCHOOL.**

To the President and Members of the Legislative Council of the Parliament of Western Australia in  
Parliament assembled.

We the undersigned residents of Western Australia support the installation of electronic 40km/h  
school signage at certain schools in Balcatta. Specifically one set to service the West Balcatta Primary  
School and the adjacent Balcatta Senior High School and a further set to service the Balcatta Primary  
School and St Lawrence Primary School located next to each other on Main Street, Balcatta. Your  
petitioners therefore respectfully request the Legislative Council to support our request to increase  
public awareness of the speed limits, via the use of electronic flashing signs, in and around schools  
precincts and thereby enhancing measures already in place to ensure student safety. The schools'  
close proximity to each other provides an added cost benefit in having each set of signage service two  
schools.

And your petitioners as in duty bound, will ever pray.
