The Parliamentary Secretary to the Minister for Health sought leave to move that the report be adopted at this day's sitting.

Point of Order

Hon Nick Goiran raised the following Point of Order —

When this matter was before the Committee of the Whole House yesterday, I raised a point of order about an amendment proposed by the Parliamentary Secretary. In fact, the Parliamentary Secretary at the time was in the process of moving the amendment when I interrupted her moving it by way of a point of order. My point of order was upheld because the Parliamentary Secretary was trying to move an amendment on a part of clause 9 of the Bill that had already been passed. It was indicated that we would need to recommit the Bill. I raise as a point of order why this is not being done now when we were provided and circulated with an amendment by the Parliamentary Secretary.

President's Ruling

The President ruled as follows —

The proposed amendment was not proceeded with and was not put on the supplementary notice paper, so it essentially fell away.

The Parliamentary Secretary to the Minister for Health, by leave, moved, That the report be adopted. Report adopted.

The Parliamentary Secretary to the Minister for Health moved, without notice —

That so much of Standing Orders be suspended so as to enable the Western Australian Future Fund Amendment (Future Health Research and Innovation Fund) Bill 2019 to be read a third time

Debate ensued.

The President having counted the Council, and there being an absolute majority present, and no dissentient voice, declared the motion carried with the concurrence of an absolute majority.

The Parliamentary Secretary to the Minister for Health moved, That the Bill be read a third time.

The President announced that the Chair of Committees had certified that this was a true copy of the Bill as agreed to in Committee of the Whole House and reported.

Statement by President

The President made the following Statement —

The third reading of this Bill requires an absolute majority pursuant to section 10 of the *Western Australian Future Fund Act 2012*. If there is a dissentient voice when I put the question on the third reading, I will divide the House.
