3. Statement by President — Non-Government Business and Private Members' Business — Schedules

The President made the following Statement —

Following the Council's resolution to vacate a sitting week in October and add a sitting week in December, I am required to table new schedules for Motions on Notice, Non-Government Business and Private Members' Business.

For the benefit of Members, I advise that, firstly, the Non-Government Business allocation to the Liberal Party that is lost for the Estimates process has been reallocated to the new sitting week in December. Secondly, the allocation for Motions on Notice to the Daylight Saving Party that is lost for the Estimates process has been reallocated to 17 November 2021. This allows the usual practice of the Government being allocated the time for Motions on Notice in the final two sitting weeks of the year.

I table the annual schedule of notice of allocation of Motions on Notice, the Non-Government Business schedule and the Private Members' Business schedule.

The President tabled an amended schedule for Motions on Notice. (Tabled Paper 491).

The President tabled an amended schedule for Non-Government Business. (Tabled Paper 492).

The President tabled an amended schedule for Private Members' Business. (Tabled Paper 493).

4. **Statement by President — LC Papers App**

The President made the following Statement —

I am pleased to announce that we now have a mobile application to deliver Chamber documents to mobile users on both Apple and Android devices. The new LC Papers app provides access to Notice Papers, Business Programs, Minutes, Weekly Bulletins, Question booklets and daily *Hansard* at the same time as they are published on the website. This project ties in well with the theme of modernisation of the Parliament's work practices. These modern practices have been in place for many years in the committee office via remote meetings and hearings. The LC Papers app provides an opportunity to provide a contemporary way to access our Chamber documents and modernise work practices in the Chamber.

The LC Papers app is available by typing the name "LC Papers" into your app store. Please provide any feedback you have via the feedback page on the app or directly to the Clerk's Executive Officer, Rebecca Burton. At the end of September, after considering your feedback, a proposed stage two of the app may include features like a Bills page, the Supplementary Notice Papers of proposed amendments to Bills, Tabled Papers and the Standing Orders.
