2. **Regenerative Agriculture**

Hon Sophia Moermond to move —

That this House recognises that the application of regenerative agriculture principles in crop and livestock production leads to a healthier environment and —

- (a) creates better soil health;
- (b) contributes to climate resilience of farming practices;
- (c) supports carbon capture in the soil;
- (d) supports greater diversity of native plants and animals;
- (e) reduces the need for artificial fertilisers, herbicides, and pesticides; and
- (f) creates healthier livestock with improved microbiome that provide better nutrition for human consumers.
