

**WORKSAFE — WORKPLACE INSPECTORS**

5849. Hon Alison Xamon to the Minister for Commerce

I refer to Worksafe in the 2009–10 financial year, and I ask —

- (1) How many Worksafe full-time equivalent employees (FTE) were allocated to inspections and investigations of workplaces and/or accidents?
- (2) Where are each of the FTE in (1) located?
- (3) How many of these positions were vacant?
- (4) Where were the vacant positions located?
- (5) Of the FTE in (1), how many were —
  - (a) ongoing public sector employees; and
  - (b) employed under fixed-term contracts?
- (6) For each of those employed under contract, what is the term of their contract?
- (7) How many of the FTE positions in (1) are specialist positions in which the inspector/investigator is required to have the expertise to investigate specific types of worksites?
- (8) For each of the FTE in (7) —
  - (a) what is the specialist area;
  - (b) where is the position located; and
  - (c) which, if any, were vacant?
- (9) What was the Budget Actual for Worksafe for the 2009–10 financial year?
- (10) How much, if any, of that budget was spent on legal action?

Hon SIMON O'BRIEN replied:

The Department of Commerce system does not report in a format which allows the information requested to be provided over a whole year. However, information is provided as at 28 June 2010.

- (1) 103.
- (2) Metropolitan area 92.  
Albany 1.  
Broome 1.  
Bunbury 7.  
Karratha 2.
- (3) 6 FTEs that did not have a substantive occupant or contracted position allocated. While not substantively occupied, many of these FTEs had inspectors occupying the positions under higher duty arrangements.
- (4) Metropolitan area 6.
- (5) (a) 99.
