On behalf of the minister representing the Minister for Police, I thank the honourable member for some notice of this question. The following information has been provided to me by the Minister for Police.

- (1)–(5) The Western Australia Police Force advises that the station is estimated to be completed in the middle of 2020. There has been \$8 million allocated, with a project definition plan being developed and site selection in Capel underway. Due to operational sensitivities, station strength cannot be disclosed.
