

KARRAKATTA CEMETERY RENEWAL PROGRAM

694. Hon AARON STONEHOUSE to the Leader of the House representing the Minister for Local Government:

I refer the minister to my member's statement on 5 June 2019 on the subject of the Karrakatta Cemetery renewal program.

- (1) How many pieces of correspondence, physical and/or electronic, has the minister's office received from members of the public regarding the renewal program during the last calendar month?
- (2) How many pieces of correspondence, physical and/or electronic, has the minister's office received from members of the public on the same subject this calendar year?
- (3) Given the clear public concern acknowledged in the minister's own statement on 27 June 2013 in the other place, on what date does he propose to submit the Cemeteries Act 1986 to a full and public review?

Hon SUE ELLERY replied:

Honourable member, I have an answer, but I am not happy with one part of it, so I will check that. I give the member an undertaking that I will provide an answer tomorrow.
