**1354. Hon KEN TRAVERS to the minister representing the Minister for Water:**

- (1) Has the Water Corporation identified any land suitable for sale in the Perth metropolitan area?
- (2) If yes to (1), what is the location of the land identified?
- (3) For what original purpose was the land purchased or used for?
- (4) When will the land be offered for sale?

**Hon KEN BASTON replied:**

I thank the honourable member for some notice of the question. The Minister for Water advises that due to the level of information required, it is not possible to provide an answer in the time available and therefore requests the honourable member to place this question on notice.
