

FORRESTFIELD–AIRPORT LINK — REVIEW

5171. Mrs L.M. Harvey to the Minister for Transport:

I refer to the delays on the Forrestfield–Airport Link, and I ask:

- (a) Has the review now been completed;
- (b) If yes to (a), who undertook the review;
- (c) Will the Minister table the review; and
- (d) If no to (c), why not?

Ms R. Saffioti replied:

- (a)–(d) The report to the Minister – *Cross Passage Dundas incident and rectification works* – was completed in December 2018. Following the 18 December 2018 media conference where the revised project timeline was announced, the report was published on the Forrestfield–Airport Link website.
