

ROTTNEST ISLAND AUTHORITY — IT STRATEGY

4783. Ms L. Mettam to the Minister for Tourism:

I refer to DBCARIAQ1119 ‘Development of IT Strategy for Rottnest Island Authority’ advertised on the TenderWA website and ask:

- (a) What will be included in the Rottnest Island Authority (RIA) IT Strategic Plan;
- (b) Will this plan consider upgrades or improvements to the Rottnest Island booking system;
- (c) When will the RIA IT Strategic Plan be complete; and
- (d) Will the RIA IT Strategic Plan be tabled in Parliament or provided publically on the RIA website? If not, why not?

Mr P. Papalia replied:

- (a) The IT Strategic Plan will define the strategy for Rottnest Island Authority IT and include a set of recommended strategic initiatives that form a 5-year roadmap to enable the 2020–2024 Rottnest Island Management Plan (RIMP).
- (b) Yes.
- (c) 30 April 2019.
- (d) The RIA IT Strategic Plan will be publicly available.
