

TOURISM WA — ADVERTISING

**183. Mr P. PAPALIA to the Minister for Tourism:**

I have a supplementary question. Has the Public Transport Authority, in the Treasurer's portfolio, received an exemption; and, if so, why has Tourism WA not?

**Dr K.D. HAMES replied:**

Mr Speaker, I am interested that you allowed that supplementary question, because to me it is not a supplementary; it is actually a repeat of the original question.

My answer remains the same. It is currently under discussion.
