

CITY OF SOUTH PERTH — TOWN PLANNING SCHEME 6

1182. Hon SUE ELLERY to the Minister for Planning:

In 142 days, Mr President, that could be the case.

Hon Peter Collier: Dream on!

Hon SUE ELLERY: I am!

I refer to amendment 46 to the City of South Perth town planning scheme 6.

- (1) At what stage of the planning process is the amendment?
- (2) What level of community consultation was undertaken by the Western Australian Planning Commission in formulating its report to the Minister for Planning on the amendment?
- (3) When will the minister make a final decision on the adoption of the amendment?

Hon DONNA FARAGHER replied:

I thank the member for some notice of the question.

- (1) The amendment is currently being considered by the Western Australian Planning Commission.
- (2) Responsibility for consultation on scheme amendments rests with the local government under the Planning and Development (Local Planning Schemes) Regulations 2015. As required, the City of South Perth advertised amendment 46 and submitted it, along with details of all public submissions, to the WAPC. The WAPC will consider the submissions as part of its assessment of the amendment and will provide this detail to me with its recommendation.
- (3) I will make a decision on the amendment after receiving the recommendation of the WAPC.
