

WESTERN AUSTRALIAN PLANNING COMMISSION — RECOMMENDATIONS

3315. Mrs L.M. Harvey to the Minister for Transport; Planning; Lands:

I refer to your decision to support the recommendations of the Western Australian Planning Commission (WAPC) in respect to the proposed Mangles Bay Development by Cedar Woods and Landcorp, and I ask:

- (a) Are there any projects where you have opposed or ignored the recommendations of the WAPC since coming to Government;
- (b) If so, what were they and what were the circumstances in which you came to that decision;
- (c) Are there any Metropolitan Region Scheme amendments where you have opposed or ignored the recommendation of the WAPC; and
- (d) If so, what were they and what were the circumstances in which they came to that decision?

**Ms R. Saffioti replied:**

- (a) No.
- (b) Not applicable.
- (c)–(d) In considering Metropolitan Region Scheme (MRS) Amendments, the Minister has due regard to the recommendation of the Western Australian Planning Commission (WAPC), State Planning Policies, respective local governments, as well as the content of stakeholder submissions.
