

NICHOLSON ROAD, CANNING VALE — TRAFFIC CONGESTION

783. Mr C.J. Tallentire to the Parliamentary Secretary representing the Minister for Transport

- (1) What action has the Government taken to alleviate traffic congestion on Nicholson Road, near Garden Street in Canning Vale?
- (2) What action will the Government take to alleviate traffic congestion on Nicholson Road, near Garden Street in Canning Vale?

Mr W.R. MARMION replied:

- (1)-(2) Nicholson Road, Garden Street and Yale Road are local roads under the care and control of the City of Gosnells. It is recognised that this section of Nicholson Road does experience traffic congestion, particularly during peak periods.

However, I would like to advise the Member that Main Roads is currently working with the City of Gosnells to investigate traffic management options that could be considered to improve traffic flow on this section of Nicholson Road. This investigation and analysis is expected to be completed over the next three months.
