

SHACK SITE COMMUNITIES

Petition

MR V.A. CATANIA (North West) [9.02 am]: I have a petition signed by 39 petitioners, couched in the following terms —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We the undersigned say that:

Leased Shack Sites Communities, such as Wedge Island, Grey, Donnelly River, Broke Inlet, Dampier Archipelagos, and Israelite Bay have long been the traditional holiday/recreational destination for many thousands of ordinary Western Australians.

...

Now we ask that the Legislative Assembly support our campaign for the Government to

Examine how other States of Australia, including South Australia, Tasmania and New South Wales have retained conforming Shack Site Communities in order to preserve these valuable assets for many Western Australians to have affordable coastal holiday destinations and continue to allow human interaction all but lost in today's society.
