

WORKSAFE — DATA COLLECTION SYSTEM

6201. Hon Alison Xamon to the Minister for Commerce

I refer to WorkSafe, and I ask —

- (1) Has capital works funding been put aside in forward estimates to upgrade the WorkSafe data collection system?
- (2) If yes to (1) —
 - (a) how much funding has been allocated; and
 - (b) for what years has the allocation been made?
- (3) What, if any, issues does WorkSafe have with the current data collection system?
- (4) Has WorkSafe developed a model for a new data collection system?
- (5) If yes to (4) —
 - (a) what, and how, will this model address deficiencies in the current data collection system; and
 - (b) how will the new data collection system address broader problems facing WorkSafe?
- (6) If no to (4), when will WorkSafe begin developing a model for a new collection system?

Hon SIMON O'BRIEN replied:

- (1) Yes
- (2) (a)–(b) In 2012/13, \$473,000 has been allocated for maintenance of, and enhancements to, WISE. In 2014/15 and 2015/16, \$2.8 million has currently been allocated to replace WISE.
- (3)–(6) Not applicable.
