

MOTOR VEHICLE ACCIDENTS — BALDIVIS

**1280. Hon SUE ELLERY to the parliamentary secretary representing the Minister for Transport:**

- (1) What is the total number of motor vehicle accidents, including a breakdown of fatalities, that have occurred at the following intersections in Baldivis over the past three years —
  - (a) Mandurah Road–Fifty Road;
  - (b) Kerosene Lane–Baldivis Road; and
  - (c) Kulija Road–Millar Road West?
- (2) Are any of the above intersections formally recognised by Main Roads as black spots; and, if so, which intersections?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of the question.

- (1) The total number of motor vehicle accidents over the last three years is provided below —
  - (a) Mandurah Road–Fifty Road intersection has had four motor vehicle crashes.
  - (b) Kerosene Lane–Baldivis Road intersection has had seven motor vehicle crashes.
  - (c) Kulija Road–Millar Road West intersection has had one motor vehicle crash.There have been no fatalities at any of these intersections during that time.
- (2) Both Mandurah Road–Fifty Road intersection and Kerosene Lane–Baldivis Road intersection meet the criteria for the state black spot program.
