

MOORA RESIDENTIAL COLLEGE

669. Hon RICK MAZZA to the Minister for Education and Training:

I refer to the government's decision to renege on the previous government's promise of funding to upgrade the Moora Residential College.

- (1) Has there been a significant reduction in the budget for the establishment, operation and maintenance of residential colleges?
- (2) If no to (1), which residential colleges will be the main beneficiaries from this year's budget?
- (3) Has the minister visited Moora Residential College recently?
- (4) Is the minister aware of the cracked walls and general poor state of the building, outdated design and fittings, and the urgent requirement for skylights?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) No.
- (2) All colleges will benefit from this year's budget.
- (3) No.
- (4) I am aware of the state of the building.
