

AGRICULTURE AND FOOD — AUDITOR GENERAL'S REPORT

705. Hon DARREN WEST to the Minister for Agriculture and Food:

I refer to the Auditor General's report, "Managing the Impact of Plant and Animal Pests: A State-wide Challenge", and specifically the recommendations listed on pages 9 and 10.

- (1) Will all of the recommendations be implemented by 30 June?
- (2) If no to (1), which recommendations will not be implemented by 30 June; and, why not?

Hon KEN BASTON replied:

I thank the honourable member for some notice of this question.

- (1) No.
- (2) One recommendation has a 31 December completion date. One recommendation is ongoing and is without a completion date. There are six recommendations that are due for completion by 30 June. These are all addressed in the statewide plan and framework, which is due to be delivered on target.
