

FORRESTFIELD–AIRPORT LINK — SOIL CONTAMINATION

583. Hon Dr STEVE THOMAS to the minister representing the Minister for Transport:

I refer to my question without notice 572 of 5 June 2019 on PFAS-contaminated soil excavated from the Forrestfield–Airport Link project.

- (1) Will the minister please table any minutes or notes, recordings, documentation, option papers or proposals from the meetings she had with Greg Poland in April 2018 and on 26 October 2018 and the meeting the planning officers had with Mr Poland on 5 November 2018?
- (2) If no to (1), why not?
- (3) Were any of the minister’s ministerial office staff or her parliamentary secretary present at the 5 November meeting; and, if so, who?
- (4) In the answer to part (2) of question without notice 572 on 5 June 2019, does “various business events” include the Labor leaders’ forum?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question. On behalf of the Minister for Environment, I provide the following response.

Due to the level of information requested, the information is unable to be provided in the time frame available. I ask that the member place this question on notice.
