

SCHOOLS — BUILDING DESIGN AND CONSTRUCTION PROCESS

1415. Hon Martin Aldridge to the Minister for Education and Training:

I refer to Legislative Council question without notice No. 456, in relation to a number of documents arising from an FOI application 61-06899, and I ask, given the Minister's refusal to provide the Parliament the documents requested, when does the Minister intend to meet their obligation under Section 82 of the *Financial Management Act 2006* and provide a notice to both houses of Parliament including the reasons for the Minister's refusal?

Hon Sue Ellery replied:

In the context of the Member's 13 June 2018 question, there are legal and other issues raised in this question which are being considered.
