

ATTORNEY GENERAL — AGENCIES — DIGITAL WA —
INFORMATION AND COMMUNICATIONS TECHNOLOGY COMPATIBILITY

5970. Mr M. McGowan to the minister representing the Attorney General; Minister for Commerce:

I refer to ICT compatibility in relation to the Digital WA strategy, and ask for each department and agency under your control:

- (a) are all computers currently utilising Microsoft software that is supported by Microsoft (only versions since 2014);
- (b) how many computers are currently using Windows XP;
- (c) how many computers are currently using Internet Explorer version 10 (IE10) or older;
- (d) what is the privacy risk for your departments and agencies for using software that is no longer supported by Microsoft; and
- (e) have you been made aware of the potential for information to be externally accessed by your departments using software no longer supported by Microsoft?
