

ROE HIGHWAY EXTENSION — TRAFFIC MODELLING

Question without Notice 676 — Supplementary Information

HON SIMON O'BRIEN (South Metropolitan — Minister for Finance) [5.11 pm]: On Wednesday, 31 August 2011, Hon Lynn MacLaren asked question without notice 676 regarding the Roe Highway extension traffic modelling. I seek leave to have a correction to part (1)(a) and (b) tabled and incorporated into *Hansard*.

Leave granted. [See paper 3728.]

The following material was incorporated —

(1a) Traffic flows on Leach Highway (Kwinana Freeway to Stock Road) in 2021 with and without Roe Highway Extensions are approximately 57 000 vehicles per day.

(1b) Traffic flows on Leach Highway with Roe Highway Extension (Kwinana Freeway to Stock Road) in 2031: 5 000 less than without the Roe Highway Extension.
