

PERTH CITY LINK — RAILWAY COMPONENT

5416. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

- (1) Has the estimated cost of the railway components of the Perth City Link Project changed since the original estimate of \$360 million was announced?
- (2) If yes to (1), what is the revised estimated cost?
- (3) Have any contractors submitted any requests for variations to the contract price?
- (4) If yes to (3), what is the variation for and how much will it cost?

Hon SIMON O'BRIEN replied:

The Public Transport Authority advises:

- (1) No.
- (2) Not applicable.
- (3) The main works are being done through an alliance contract with a fixed scope and agreed cost target. Variations to the contract price arising from contractor requests are not permitted.
- (4) Not applicable.
