

ROAD TOLL — STRATEGIC TRAFFIC ENFORCEMENT GROUP

**939. Mr R.F. JOHNSON to the Minister for Police; Road Safety:**

I have a supplementary question. With the RAC and Department of Health members on the Road Safety Council resigning from the council because it is no longer independent, is it not now appropriate for the minister to take the honourable action and resign?

**Mrs L.M. HARVEY replied:**

I answered questions on the Road Safety Council last week. That answer is already on the record. Member for Hillarys, your last question in this place—goodbye!

Several members interjected.

**The SPEAKER:** That is enough. That question is finished.
