

PILBARA — POTABLE WATER CAPACITY

**1009. Hon HELEN BULLOCK to the minister representing the Minister for Water:**

I refer to potable water capacity in the Pilbara.

- (1) What is the current domestic demand for potable water in the Pilbara?
- (2) What is the current commercial demand for potable water in the Pilbara?
- (3) What is the current agricultural demand for potable water in the Pilbara?
- (4) What is the current capacity in surface and artesian potable water available in the Pilbara?
- (5) What is the forecast total demand for potable water in the Pilbara for all uses over the next 10 years?

**Hon HELEN MORTON replied:**

I thank the honourable member for short notice of the question. The detailed information requested by the member was not able to be sourced in the time frame and also requires consultation with outside government parties. It is requested that this question be placed on notice.
