

PERTH MAJOR SPORTS STADIUM — BURSWOOD — TRAIN STATION

819. Hon KEN TRAVERS to the minister representing the Minister for Transport:

- (1) Can the minister confirm that a new four-track station will be built at Burswood as part of the new major stadium development?
- (2) What is the estimated cost of this station and any associated works?
- (3) Will trains departing from the Burswood station have direct access to each of the other four rail lines serving Perth?
- (4) If yes to (3), what is the estimated cost of these works and does this require any new tunnels?
- (5) What is the estimated percentage of people who will travel to the new stadium by public transport?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question.

- (1)–(5) The scope and associated cost are yet to be confirmed.
