

**SCHOOL VIOLENCE**

*Question without Notice 149 — Correction of Answer*

**HON SUE ELLERY (South Metropolitan — Minister for Education and Training)** [5.04 pm]: Further to Hon Jacqui Boydell's question without notice 149, asked on 13 March 2019, it has been brought to my attention that I inadvertently did not read the response to part (5) of the question. The member will have the full response in her parliamentary file. However, for *Hansard*, the response is as follows.

- (5) As part of the implementation of the violence in schools strategy, information has been provided to schools to support return-from-suspension processes that are restorative, educative and focused on re-establishing positive behaviour. This is in addition to existing services to public schools, including school psychologists, school chaplains and the schools of special educational needs.
