

BUNBURY REGIONAL HOSPITAL — EMERGENCY DEPARTMENT EXPANSION

**934. Hon ADELE FARINA to the minister representing the Minister for Health:**

I refer to the proposed expansion of the emergency department at Bunbury Regional Hospital.

- (1) Will the minister table a copy of the business case for the expanded ED?
- (2) Is construction of the expanded ED on schedule?
- (3) What additional resources, staffing and recurrent funding will be required to operate the expanded ED?

**Hon SIMON O'BRIEN replied:**

I have an answer to the question. I am not satisfied with the answer and will be seeking some further advice. I invite the member to ask the question again tomorrow.

**Hon Adele Farina:** No, you can just table the answer tomorrow. I should not have to ask the question again.

Several members interjected.

**The PRESIDENT:** Order! A couple of suggestions have been made by the minister and the member. We will see what happens tomorrow.
