

CARNARVON BOAT HARBOUR — MARKET RENTAL VALUATION

260. Hon KEN BASTON to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I refer to question without notice 219 asked on 19 March 2008 and to the report used to assist in the determination of rental values in the Carnarvon Boat Harbour. Will the minister provide the schedule of industrial sales evidence used to determine the unimproved value of the land; and, if not, why not?

Hon ADELE FARINA replied:

I thank the honourable member for some notice of this question.

In answer to the member's question, yes. I table the schedule of industrial sales evidence in Carnarvon, which has been compiled from information available from the Western Australian Land Information Authority—Landgate.
