

LANDGATE — ONSELLING INFORMATION

**264. Mrs L.M. HARVEY to the Premier:**

I have a supplementary question.

**Mr D.J. Kelly** interjected.

**The SPEAKER:** Minister for Water!

**Mrs L.M. HARVEY:** Can the Premier guarantee that the sensitive and confidential private data of hundreds of thousands of Western Australians currently held and managed by his government will not be sold to the private sector without safeguards to ensure it cannot be onsold to third parties for commercial benefit?

**Mr M. McGOWAN replied:**

As I said, we have not made any decisions about Landgate. When we do make decisions about that, we will let the opposition know. Naturally, we will have the highest standards available if we decide to make any such decision.

Several members interjected.

**The SPEAKER:** Members!

**Mr M. McGOWAN:** Listen to you; look at you! It is a bit of a freak show over there.

Several members interjected.

**The SPEAKER:** Members!

**Mr M. McGOWAN:** We have seen transactions take place in New South Wales and South Australia. Victoria is engaging in a transaction. As I understand it, the member is completely missing the point in her question.
