

PUBLIC HOUSING — RENT CALCULATION

280. Hon SUE ELLERY to the Minister for Housing:

I refer to previous advice from the minister to the house that he has asked the Department of Housing to reconsider the allowances to be included as assessable income for Homeswest tenants. Has the minister approved any changes to the allowances included as assessable; and, if so, what are they?

Hon COL HOLT replied:

I thank the member for some notice of the question. Yes, I have. If the member wants specific details, can she please put the question on notice, because I can give those to her. I have approved some changes to that original list.
