

CHILD PROTECTION — CASEWORKERS — WORKLOAD

Question without Notice 888 — Answer Advice

HON SUE ELLERY (South Metropolitan — Leader of the House) [5.08 pm]: On 21 August 2019, on behalf of the Minister for Child Protection, I undertook to provide as soon as possible an answer to part (2) of question without notice 888 asked by Hon Nick Goiran. I seek to table that answer.

Hon Nick Goiran interjected.

Hon SUE ELLERY: I can read it if the member wants me to.

Several members interjected.

The PRESIDENT: Order! The minister is struggling today with her voice and some health issues. If members can give her a fair go, that will enable her to do her job. That paper is tabled.
