

GREAT WHITE SHARK MONITORING PROGRAM

899. Hon AMBER-JADE SANDERSON to the minister representing the Minister for Fisheries:

I refer to the Department of Fisheries' current white shark monitoring program undertaken jointly with South Australian and South African authorities.

This might be another question to which the minister does not have an answer.

Hon KEN BASTON replied:

I do not have an answer to that question.

The PRESIDENT: If Hon Amber-Jade Sanderson has another question, perhaps she would like to ask that one.
