

PUBLIC HOUSING — AFFORDABLE HOUSING PLAN

794. Hon ED DERMER to the minister representing the Minister for Housing:

I refer to the affordable housing plan for 500 private landlords to sign up for the leasing of their properties to public housing clients.

- (1) As at 16 September 2011, how many properties have become available to public housing clients under this new affordable housing plan?
- (2) In which suburbs are these properties located?

Hon SIMON O'BRIEN replied:

I thank the honourable member for notice of the question.

- (1) Nil.
- (2) Not applicable.
