

EAST PERTH POWER STATION — CONTINUING PROTECTION ORDER

842. Hon PETER COLLIER to the Leader of the House representing the Minister for Heritage:

I refer to the East Perth power station.

- (1) Will the minister confirm that he removed the continuing protection order?
- (2) If yes to (1), why did he remove the continuing protection order?
- (3) If yes to (1), did he consult with the Heritage Council of Western Australia before removing the protection order; and, if not, why not?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) Yes, it was removed by a revocation order gazetted on 9 August 2019.
- (2) The need for the continuing protection order was superseded by the registration of the East Perth power station on the state Register of Heritage Places.
- (3) The revocation of the protection order was on the recommendation of the Heritage Council.
