

MANGLES BAY MARINA DEVELOPMENT

13. Hon LYNN MacLAREN to the minister representing the Minister for Lands:

I refer to the state's agreement with the commonwealth on the transfer of land at Point Peron for recreation and/or parklands and I refer to the minister's undertaking to "provide more detailed advice once a resolution is reached" in response to my question without notice 1072 asked on 24 November 2011.

- (1) Has the issue of whether the agreement remains binding on the state been resolved with the commonwealth?
- (2) If yes to (1), will the minister please provide detailed advice regarding that resolution?
- (3) If no to (1), when is this issue likely to be resolved and will the minister please table all correspondence to date between the state and the commonwealth in relation to this issue?

Hon KEN BASTON replied:

I thank the honourable member for some notice of the question.

- (1) Yes. The state's position is very clear and has been conveyed formally to the commonwealth, which in turn has acknowledged our position.
- (2) Advice has been received from the commonwealth that recognises that there is no encumbrance registered on the certificates of title that impedes the land for its proposed use.
- (3) Not applicable.
