

MOORA RESIDENTIAL COLLEGE

46. Hon SIMON O'BRIEN to the Minister for Education and Training:

I have a question without notice for the Minister for Education and Training. I did not think she would need notice. I refer to Moora Residential College.

- (1) Is it true that the annual recurrent cost to the WA government to operate this facility, after fees and other income are taken into account, is just over \$313 000; and, if not, what is the approximate figure? I know the minister has just answered a very similar question.

Hon Sue Ellery: I do not have it in front of me.

Hon SIMON O'BRIEN: If the minister does not have anything further to answer, the question continues.

- (2) How many people are employed at the college?

Hon SUE ELLERY replied:

- (1)–(2) I will see if I have the answer to the second part of the question in front of me. I do not have the answer to the first part in front of me because I just gave it in the answer I provided to Hon Martin Aldridge.

Hon Simon O'Brien: I am aware; it is pure coincidence that the questions are so similar, so we have enough in the first part.

Hon SUE ELLERY: I still have in front of me the collection of material I relied on earlier today and I will flick through that. If I have the answer to the second part about staff numbers, I will give it to the member at the end of question time. If I do not, I will ask the member to put it on notice.
