

GRAIN INDUSTRY — STRATEGIC PLAN

2206. Hon Ken Travers to the Minister for Transport

Can the Minister table a copy, of the strategic plan for the grain industry, adopted by the Western Australian Grains Logistics Committee in July 1998?

Hon SIMON O'BRIEN replied:

Exhaustive searches carried out by my office and the department have been unable to locate a strategic plan as identified in terms of your question. However, if the member would be able to assist by providing further clarifying information to identify the document, I would be prepared to make the document available.
