

POLYTECHNIC WEST — JANDAKOT CAMPUS — ADVANCED DIPLOMA OF AERONAUTICS
ACCREDITATION

3552. Ms J.M. Freeman to the Minister for Training and Workforce Development:

Can the Minister confirm if Polytechnic West Jandakot Campus has sought to be accredited for an Advanced Diploma of Aeronautics:

- (a) if yes, when will this decision be made and when will the course commence; and
- (b) if no, will an accreditation proposal be submitted for this course and if not why not?

Mrs L.M. Harvey replied:

- (a) Polytechnic West (PWA) submitted an application for Accreditation of the course on 9 February 2015, which is currently being reviewed by the Training Accreditation Council (TAC).

A decision on Accreditation of a course of the complexity of the one submitted is usually determined by TAC within approximately 8 weeks of receipt. PWA will then commence planning to deliver the qualification as soon as practicable.

- (b) Not applicable.
