

WESTPORT TASKFORCE

**783. Hon SIMON O'BRIEN to the Minister for Ports:**

Was the draft report by the Westport Taskforce completed on schedule—that is, by the end of July—and, if so, when will it be made public; and, if not, what is the hold-up, and when will it be finalised?

**Hon ALANNAH MacTIERNAN replied:**

The Westport Taskforce is undertaking very many reports. Therefore, with that lack of specificity, I cannot provide a precise answer to the member's question. However, I will say that a body of work has been done, including the work that the Leader of the Opposition referred to earlier. As I said in my answer, we anticipate that within the coming month, those documents will be released.
