

FOREST MANAGEMENT PLAN 2014–2023 — COMPLIANCE POWERS

2005. Mr C.J. Tallentire to the Minister for Environment:

With regard to the Conservation Commission, I ask:

- (a) has the Environmental Protection Agency (EPA) recommended amendments to Forest Management Plans and other relevant legislation to establish appropriate enforcement and compliance powers for regulating the timber industry in Western Australia; and
- (b) has the Conservation Commission recommended legislative changes in line with the EPA's recommendation to establish appropriate enforcement and compliance powers, and if not, why not?

Mr A.P. Jacob replied:

- (a) No.
- (b) Not applicable.
