

POLICE — CANNABIS INTERVENTION NOTICES

1319. Mr R.H. Cook to the Minister for Police:

I refer to cannabis intervention notices in the *Cannabis Law Reform Act 2003* and ask, from the first of January 2012 onwards:

- (a) how many juveniles and adults have been issued with cannabis intervention notices;
- (b) how many juveniles and adults have undertaken education sessions on cannabis use as a result of a CIN; and
- (c) how many juveniles and adults have been prosecuted following non-attendance of an education session on cannabis use?

**Mrs L.M. Harvey replied:**

- (a)–(c) The *Cannabis Control Act 2003* was repealed by the *Cannabis Law Reform Act 2010* on 1 August 2011.
