

TRAIN STATION — WARNBRO AND MANDURAH

Petition

MR P. PAPALIA (Warnbro) [12.03 pm]: I have a petition bearing 1 467 signatures. It is certified as complying with standing orders and reads as follows —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that there is an urgent need for a train station between Warnbro and Mandurah. With rapid development in Baldivis, Secret Harbour, Golden Bay, Singleton and Madora Bay the pressure on the existing stations at Warnbro and Mandurah continues to grow. Parking availability and travel time are already significant issues for commuters and will only increase with population growth.

Now we ask the Legislative Assembly call upon the Barnett Government to commit to the funding and building of a new train station between Warnbro and Mandurah before 2017.
