

FOODBANK — BREAKFAST CLUB, PILBARA

675. Mrs L.M. HARVEY to the Premier:

Why is the Premier refusing to provide Foodbank with \$1.25 million to purchase desperately needed everyday essentials for people in our community who cannot afford food and funding for Breakfast Club for hungry children in the Pilbara?

Mr M. McGOWAN replied:

We have put a lot of support into Foodbank over the two and a half years we have been in office. I see that the member for Victoria Park is a regular attendee making announcements and working cooperatively with Foodbank, and I have been there, too. It does a great job across Western Australia and the government supports it.
