

STATE FORESTS — MOWEN 1 AND MOWEN 2

2263. Hon Lynn MacLaren to the Minister for Agriculture and Food representing the Minister for Forestry:

What is the sale value from Mowen 1 and Mowen 2, of each of the following products, by species:

- (a) first grade logs;
- (b) second grade logs;
- (c) charcoal;
- (d) firewood; and
- (e) any other products (please specify)?

Hon Ken Baston replied:

- (a)–(e) Forest Products Commission does not routinely estimate the sale value in individual coupes. Such estimates would vary significantly with factors including the actual quantity of each product produced, the total yield per hectare and the haulage costs.
