

WATER CORPORATION — RCR TOMLINSON

943. Hon SAMANTHA ROWE to the minister representing the Minister for Water:

I refer to the Minister for Water's answer to question without notice 884 asked on 8 September 2015.

- (1) What were the circumstances that gave rise in each case to the potential conflicts of board members Mike Hollett and Peter McMorrow?
- (2) What were the reasons for the board members' later inclusion in the process?

Hon KEN BASTON replied:

I thank the honourable member for some notice of this question.

- (1) Water Corporation directors declare all other interests. Any director who had an interest in any organisation that could feasibly choose to bid for the engineering and construction services correctly excluded themselves from the process.
- (2) They were not conflicted.
