

EMERGENCY SERVICES VOLUNTEER FUEL CARD — SURVEY

479. Hon COLIN HOLT to the minister representing the Minister for Emergency Services:

I refer to the survey of emergency service volunteers being conducted by the Department of Fire and Emergency Services and the Department of Primary Industries and Regional Development requesting feedback on the volunteer fuel card scheme.

- (1) Would the minister please table a copy of the survey?
- (2) To how many recipients was the survey sent?
- (3) Would the minister please provide a list of the people to whom the survey was sent?
- (4) What is the target response rate for the survey?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The Department of Fire and Emergency Services advises the following.

- (1) I table a copy of the survey.

[See paper 1435.]

- (2) The survey was sent to 11 376 recipients.
- (3) The survey was sent to all volunteers who have a registered email address with DFES, including officers in charge of all brigades, groups and units.
- (4) The anticipated response rate was 10 per cent; however, this has been significantly exceeded.
