

CHURCHILL PARK GUEST HOUSE — ASBESTOS MANAGEMENT PLAN

1078. Hon SALLY TALBOT to the minister representing the Minister for Housing:

- (1) Given that the Department of Housing has admitted that it knew at the time of purchase in March 2012 that the intended use of the Churchill Park Guest House in Busselton was a women's refuge, was an asbestos management plan drawn up for the building?
- (2) If yes to (1), when was the management plan drawn up?
- (3) When did Busselton Women's Refuge Inc become the tenants of the building?
- (4) On what date was the condition assessment report by building condition and compliance officers ordered?
- (5) On what date was the decision taken to move the refuge to another location?

Hon KEN BASTON replied:

I thank the honourable member for some notice of the question.

The Department of Housing advises —

- (1)–(2) The management plan was drawn up after settlement of the property as part of the planned refurbishment prior to handover to the community housing organisation, Busselton Women's Refuge Inc, in February 2013.
- (3) Busselton Women's Refuge Inc did not occupy this building.
- (4) It was ordered in March 2013.
- (5) The decision was made in June 2013.
